Curtis Skomp, Greg Dully and Rosanne Dully of RE/MAX Advance Realty's All Keys Commercial Team recently brokered the off-market sale and purchase of the Driftwood Trailer Park in Tavernier for \$5.2 million.

The park, built in 1980 and located at 92157 Overseas Highway, includes 36 units and 99,317 square feet of lot space on 0.44 acres of oceanside land, along with boat dockage.

"Driftwood Trailer Park is a landmark waterfront mobile home community nestled on Tavernier Harbor," Greg Dully said. "It remains one of the very few classic Florida Keys parks that has stood the test of time, with so many others having been redeveloped over the years. The buyers in this unique transaction are very happy to have made the purchase at a competitive price in today's market."
